

Homemade Playdough Mix

- #1. Add the mix to 1 C. water & 1 tbs. vegetable oil .
- #2. Cook on medium, stirring continuously. Once it begins to thicken add a few drops of food coloring and keep stirring.
- #3. Once mixture thickens remove from heat and let cool on wax or parchment paper. Remove from heat to cool.
- #4. Store in an airtight container. Add a few drops of water to it if it looks dry.
